Besides
I never talked with him until now too, truthfully I can't help but think he gives off a plain impression
If we keep up the conversation I won't get molested
Thankgodness
Looking from above, your lashes are really long it's like a girl's
Why me? such a bad taste
Isn't normally these types of guys are the ones getting molested?

There are people who want to join after they hear about this you see
Hey, Could you increase the number of people next time?

then, I'll excuse myself
Thank you very much for today, I'm counting on you too tomorrow

al-right~ I should call them from tomorrow on then
No problem if it's up to 5 people I can get the money ready

What the hell? Isn't it more fun doing the molesting?
" I want to see the person I like being molested, I'm fine with seeing from the sidelines"
Man.. What a f*cked up fella

we aren't one to talk though
He he he
But to do something horrible like that
It's because he doesn't have the courage to do it himself
Ehh?That's the worst what a scary brat
Maybe he's the type that gets turned on by NTR
yeah~yeah~ but I still feel sorry for the kid getting done

never knew Harada is into Kurabasu as well

well...This chapter will be the last ane I translate from Yajirushi series. But dan't be sad because I saw in the camments section of Yajirushi (Jp) that mustbeendless Scans plans ta do it (That's alsa why I skipped to Ch.3 in case they are daing Ch. 2)

If it's neglected until the end af this year I think I may cantinue translating this series thaugh it's very unlikely that it won't be translated until then
